Career Summary

Recent Computer Science graduate with a solid foundation in software development principles and problem-solving. Proficient in Java, Python, and SQL, with practical experience in object-oriented programming. Skilled in team management, analytical thinking, problem solving, good communication and collaborative project execution.

Skills

- **Programming:** Java, Python (R, Numpy), Full Stack.
- **Database:** MySQL, DBMS.
- **Tools:** Google colab, Vs code using AI integration.
- **Communication:** Vital for teamwork, client interaction, Agile environments

Projects

AI Call Assistant – Extractive Summarization of Call Recordings

Developed and deployed an AI-powered Call Assistant application leveraging Whisper ASR, BART, VADER, and TextBlob to transcribe speech-to-text, perform extractive text summarization, conduct sentiment analysis, and translate multilingual call recordings. Integrated natural language processing (NLP), machine learning (ML), and API-driven architecture to deliver scalable and efficient performance.

Online Book Store – Full Stack Web Application

Developed responsive online bookstore allowing users to search and purchase books by title, author, and subject. Implemented database-backed search and secure authentication.

Internships

Full Stack Java Intern	Datapro, Visakhapatnam	Jun 2023 – Aug 2023
AI/ML/Data Science Intern	IIDT with BlackBucks, Tirupati	May 2024 – Jul 2024

Workshops & Training

• DevOps Workshop, Datapro, Visakhapatnam	Sep 2023 – Oct 2023
• Android App Development Workshop, Datapro, Visakhapatnam	Nov 2022 – Dec 2022
• Generative AI Workshop, Skillshop, Visakhapatnam	Aug 2024

Education

B.Tech in Computer Science and Engineering - 7.8 CGPA	2021 – 2025
Avanthi's Research and Technological Academy, Vizianagaram, AP	

Certifications

- Salesforce Developer Virtual Internship – SMART INTERNZ
- AI/ML/Data Science – APSCHE
- Cyber Security – APSCHE
- Data Science 101 – IBM SkillsBuild
- Full Stack Java – Datapro
- Cloud Computing – IBM SkillsBuild

Languages

English (Professional), Telugu (Native)

Interests

Travelling, Driving, Video games
